Administrative history / Biographical sketch

Michael Roderick Johnstone was born in Hamilton, Ontario at the Salvation Army Hospital. He graduated from McMaster University in 1969 where he served as the Student Cultural Affairs Commissioner and President of the McMaster Students Union. He was also involved with The Silhouette, McMaster's University's student-run newspaper as a writer from 1962 to 1963 and with the McMaster's Film Board. Michael returned to school at Mohawk College for nursing in the 1980's and worked at the Hamilton General Hospital as a registered nurse in the post-operative care unit for more than 25 years until his retirement. Michael was involved in the founding of many gay and lesbian organizations in the Hamilton area. Prior to moving back to Hamilton in 1979, he was a member of Gays of Ottawa from 1976 to 1979. Michael also served as a secretary of the Coordinating Office of the Canadian Lesbian and Gay Rights Coalition that dealt with specific issues of federal jurisdiction. At this time, the Hamilton-McMaster Gay Liberation Movement group has been established. To expand outside of McMaster University and into the broader Hamilton community, core members of the McMaster Homophile Association formed Hamilton United Gay Societies (HUGS) in 1980. Michael was one of the founding members of HUGS and served in different executive committee roles such as secretary, treasurer and president from 1980 to 1982 and again from 1988 to 1991 when HUGS changed their name to Hamilton Gay and Lesbian Alliance (HGALA). Michael was the self-appointed archivist of the Hamilton-Wentworth Gay Archives which was founded in 1982 and was also involved in the Gay Phoenix (then The Phoenix/Hamilton Phoenix) newsletter, Lesbian/Gayline and Speakers' Bureau.

Since its founding in 1986, Michael was as a member of the Hamilton AIDS Network for Dialogue and Support's (HANDS) Board of Directors, was the president from 1991 to 1993, and a member of the Steering Committee. He was also involved in the AIDS Prevention Task Force Implementation Subcommittee of the Regional Municipality of Hamilton-Wentworth, the AIDS Working Group on Anonymous HIV Testing, and Regional Palliative Care Program Hospice Services Group.

At the Hamilton GALA Honour Roll Dinner in 1991, Michael Johnstone along with Anne Cassel were presented with the Honour Roll Award plaque to recognize their contributions to the LGBTQ+ community in Hamilton throughout the years.

In addition to Michael's activist work, he was a part of the Social Justice and World Outreach committees of the Hamilton Presbytery of the United Church of Canada and was an active member of the Hamilton Group of Canadians for Justice and Peace in the Middle East.

Michael passed away from lung cancer on July 26, 2018 at the Good Shepherd's Emmanuel House hospice in Hamilton which used to be a housing residence for individuals living with HIV/AIDS.

Custodial history

The fonds was donated to the Hamilton Public Library, Local History and Archives on December 28, 2018 by Cole Gately and Bill MacKinnon, principal representatives of the Estate of Michael Johnstone. As the self-appointed archivist of the Hamilton-Wentworth Gay Archives, Michael has kept materials from this fonds since the 1980's when they established the archives under the Hamilton United Gay Societies (HUGS). The collection started with Michael/Mike W. Dorman, founder of Gay Fathers in Toronto and Hamilton and affiliate of HUGS, who had collected relevant materials and was added to by Michael Johnstone throughout the years.

Hamilton Spectator newspaper clippings were included in this donation and will be made into scrapbooks in the future. The newspaper clippings are on topics about the lesbian, gay, bisexual, transgender, and queer (LGBTQ+) community in Hamilton. They were sorted by theme and subgroups based on the existing themes followed by the Canadian Lesbian and Gay Archives. At present, 24 boxes have been categorized and labeled by Jordana Satok and Kelly Wu while three boxes are still unsorted.

Scope and content

The fonds is composed of materials from lesbian, gay, bisexual, transgender, and queer (LGBTQ+) organizations in Hamilton and its surrounding areas founded from the 1970's to the 1990's. Notes

Physical condition

Good to fair.

Some newspapers and magazines are fragile.

Photographs from photograph albums with adhesive backing and plastic coverings were taken out and were individually placed in archival envelopes. Majority of the photographs have inscriptions on the back that may still transfer.

Some negatives in the sheets may still have some adhesive. The quality of sound for the audio cassette tapes are fair and some tapes have more static than others.

Rusty staples and clips were removed.

Immediate source of acquisition

The fonds was donated to the Hamilton Public Library, Local History and Archives on December 28, 2018 by Cole Gately and Bill MacKinnon, principal representatives of the Estate of Michael Johnstone. Some personal photographs of Michael were donated by Sandra Cruickshanks, Michael's niece, on behalf of his estate on October 17, 2019.

Arrangement

There was no clear arrangement of materials by Michael Johnstone but records were mostly grouped by organization and material type. As the self-appointed archivist of the Hamilton-Wentworth Gay Archives, he intended for the archives to provide a chronological, subjective, and individual or organizational focus on the Hamilton area's lesbian and gay history. There are records in the fonds that indicated that Michael Johnstone was in contact with the Canadian Lesbian and Gay Archives (now The ArQuives) in the early

1980's seeking guidance on organizing an archive. Sample categories for these materials were created by Michael Johnstone and was taken into account during arrangement.

Since the Michael Johnstone fonds is the foundation of the Hamilton 2SLGBTQ+ Community Archives, materials were arranged by organization and material type.

Restrictions on access

The collection is open to researchers. There are no restrictions on access with the following exception: Material from Series 13 (boxes 27-31) is currently undergoing processing and is consequently not available for public consultation until this work is completed.
